

Important Notice for Unexchanged Holders of Fording Canadian Coal Trust Units

Dear holder of Fording Canadian Coal Trust units:

Our records indicate that you continue to hold Fording Canadian Coal Trust ("Fording") units. There is no longer a market for these units as a result of the plan of arrangement involving, among others, Fording and Teck Cominco Limited, now Teck Resources Limited ("Teck"), which became effective as of October 30, 2008. Following the completion of this transaction, you are entitled to receive 0.245 of a Teck Class B share and a cash payment of \$82.00 (US), plus any unclaimed Fording dividends or distributions and Teck accrued dividends paid, if any, (collectively "your Entitlements") for each Fording unit currently registered in your name. At the close of business on June 4, 2010, Teck Class B shares traded on the TSX at \$32.77 (CDN) per share. The number of Fording units you hold and the details of your Entitlements are indicated on the attached claim card.

You have previously been notified to send in your Fording unit certificate(s) to exchange for your Entitlements. As a result of not receiving a response from you, Georgeson Shareholder Communications Canada Inc. ("Georgeson") has now been retained to assist you in claiming your Entitlements (the "Program"). To claim your Entitlements through this voluntary Program, you may complete the claim card below and return it along with your Fording unit certificate(s) in the envelope provided. **Even if you have misplaced your Fording unit certificate(s), you may still participate in this voluntary Program.** Alternatively, you may contact Teck's depository, Computershare Investor Services, to complete this exchange. If you choose to use this Program, a fee equal to 15% of the value of your Entitlements will be deducted from your proceeds and paid to Georgeson.

Please read these materials carefully. **There is no benefit in continuing to hold your Fording units.** Your Entitlements cannot be sent to you until you surrender your Fording unit certificate(s) through this Program or by other means. Pursuant to the terms of the plan of arrangement, any certificates formerly representing Fording units that remain unexchanged beyond October 30, 2014 will no longer represent an entitlement to Teck Resources shares. Georgeson is being permitted to administer this voluntary Program through **November 30, 2010**, although an extension may be granted. If you have questions after reading this material, call Georgeson, toll-free, at **1 (800) 890-1037** for assistance.

Sincerely,

Teck Resources Limited

QUESTIONS AND ANSWERS

1. How do I complete the claim card?

Simply indicate your Social Insurance or Taxpayer Identification Number and sign exactly as your name appears on the claim card. If more than one name is listed on the claim card, all parties listed must sign. If the Teck Class B share certificate or cheque is to be issued in the name of a person other than the person(s) named on the Fording Canadian Coal Trust ("Fording") units, additional documents may be required to complete the transaction. Your signed claim card must be received in good order no later than **November 30, 2010**.

2. Why should I exchange my Fording units?

As a result of the plan of arrangement involving, among others, Fording and Teck Cominco Limited, now Teck Resources Limited ("Teck"), which became effective as of October 30, 2008, the Fording units you are holding no longer trade on any stock exchange. Following the completion of this transaction, you are entitled to receive 0.245 of a Teck Class B share and a cash payment of \$82.00 (US), plus any unclaimed Fording dividends or distributions and Teck accrued dividends paid, if any, (collectively "your Entitlements") for each Fording unit currently registered in your name. You should now consider sending in your Fording units so that they may be exchanged for the Entitlements due you, through this voluntary program or by other available means, such as Teck's depository, Computershare Investor Services.

3. What if I don't have my Fording unit Certificate(s)?

Complete the claim card and your Fording units will be replaced so that they may be exchanged for the Entitlements due to you, subject to an additional fee of 5% of the value of the Entitlements represented by the lost certificate(s), as provided for by the Statement/Affidavit on the back of the claim card.

4. What happens if I choose to exchange my Fording units?

After verifying that the documentation is in order, the appropriate number of Teck Class B shares and your cash payment will be requisitioned and a new share certificate for Teck Class B shares will be issued. You will receive your cash payment approximately 6 weeks after your claim card has been received in good order by Georgeson. Tax reporting for this transaction will be mailed to you in due course and prior to February 28, 2011.

5. What are the tax consequences?

Pursuant to the Plan of Arrangement effective October 30, 2008, Canadian and Non-Resident Unitholders of Fording Canadian Coal were advised that substantially all of the amounts payable to them under the Arrangement would constitute ordinary income to Unitholders and, in the case of Non Resident Unitholders, would be subject to Canadian non-resident withholding tax. For a summary of certain material, Canadian federal income tax consequences of the Arrangement, please refer to the Information Circular that was mailed to all Unitholders. The Information Circular may be obtained at www.sedar.com under Fording Canadian Coal Trust. Unitholders should consult their own tax and investment advisors with respect to their individual circumstances.

6. How is the fee to Georgeson calculated?

The fee, payable to Georgeson, is calculated as 15% of the Entitlements due you. Similarly, the additional lost fee is calculated as 5% of the value of the Entitlements resulting from the exchange of the replaced units represented by the lost certificate(s).

7. What if I am the beneficiary or executor of an estate that holds Fording units?

Please contact Georgeson toll free at 1 (800) 890-1037 or collect at (514) 982-2390, for further instructions.

8. What if I do not take action to recover the shares due to me?

If your Fording units remain unexchanged, and you do not claim your Entitlements through this voluntary program or by other available means, your share entitlement, any unclaimed dividends and any future company communications may not be sent to you. Pursuant to the terms of the plan of arrangement, any certificates formerly representing Fording units that remain unexchanged beyond October 30, 2014 will no longer represent an entitlement to Teck Resources shares. Eventually, your assets may be turned over to certain provincial authorities under abandoned property laws, which may allow you to claim them at a later date.

9. What about the protection of my personal information?

Your privacy and use of your personal information is important to Georgeson.
