To Brokers, Dealers, Commercial Banks,
Trust Companies and Other Nominees:

SonoSite, Inc., a Washington corporation (“*SonoSite*”), is offering to purchase for cash shares of its common stock, par value \$0.01 per share, having an aggregate purchase price of \$100 million at a price not greater than \$30.00 nor less than \$26.10 per share, net to the seller in cash, without interest (the “*Offer*”), as specified by shareholders tendering their shares, or such lesser amount of shares as are properly tendered.

Given the prices specified by tendering shareholders and the number of shares tendered and not properly withdrawn, SonoSite will select the lowest purchase price specified by tendering shareholders that will enable SonoSite to purchase shares having an aggregate purchase price of \$100 million or, if shares with an aggregate value of less than \$100 million are tendered at or below the maximum price of \$30.00 per share, all shares that are properly tendered and not properly withdrawn. All shares acquired in the Offer will be purchased at the same price. SonoSite will not purchase fractional shares in the Offer. The total number of shares purchased by SonoSite will be rounded down to the largest number of whole shares that can be purchased for \$100 million.

SonoSite’s Offer is being made upon the terms and subject to the conditions set forth in its Offer to Purchase, dated January 19, 2010, and in the related Letter of Transmittal which, together with the Offer to Purchase, as they may be amended and supplemented from time to time, constitute the Offer.

Only shares properly tendered at prices equal to or below the purchase price and not properly withdrawn will be purchased. However, because of the proration provisions described in the Offer to Purchase, all of the shares tendered at or below the purchase price may not be purchased if shares having an aggregate purchase price of more than \$100 million are properly tendered. All shares tendered and not purchased, including shares tendered at prices above the purchase price and shares not purchased because of proration or the conditional tender procedures, will be returned at SonoSite’s expense as soon as practicable following the expiration date.

SonoSite reserves the right, in its sole discretion, to purchase shares having an aggregate purchase price of more than \$100 million pursuant to the Offer, subject to applicable law.

The Offer is not conditioned on any minimum number of shares being tendered. The Offer is, however, subject to other conditions described in the Offer to Purchase.

If the number of shares tendered at or below the selected price have an aggregate purchase price in excess of \$100 million, as measured at such selected price, SonoSite will purchase shares at the selected price on a pro rata basis (subject to the “odd lot” priority as described in *Section 1* of the Offer to Purchase and the considerations for conditional tenders as described in *Section 6* of the Offer to Purchase) from all shareholders who properly tendered shares at or below the selected price, with appropriate adjustments to avoid purchases of fractional shares.

For your information and for forwarding to your clients for whom you hold shares registered in your name or in the name of your nominee, we are enclosing the following documents:

- Offer to Purchase, dated January 19, 2010;
- Letter that you may send to your clients for whose accounts you hold shares registered in your name or in the name of your nominee, with space provided for obtaining those clients' instructions with regard to the Offer;

Your prompt action is requested. We urge you to contact your clients as promptly as possible. The Offer and withdrawal rights will expire at 5:00 p.m., New York time, on February 19, 2010, unless the Offer is extended.

No fees or commissions will be payable to brokers, dealers, commercial banks, trust companies or any person for soliciting tenders of shares under the Offer (other than fees paid to the dealer manager and the information agent as described in the Offer to Purchase). SonoSite will, however, upon request, reimburse you for customary mailing and handling expenses incurred by you in forwarding any of the enclosed materials to the beneficial owners of shares held by you as a nominee or in a fiduciary capacity. SonoSite will pay or cause to be paid any stock transfer taxes applicable to its purchase of shares, except as otherwise provided in the Offer to Purchase and Letter of Transmittal.

In order to properly tender shares under the Offer, a shareholder must do EITHER (1) OR (2) below:

(1) Provide that the depository receives the following before the Offer expires:

- either (a) certificates for the shares or (b) a confirmation of receipt for the shares pursuant to the procedure for book-entry transfer described in Section 3 of the Offer to Purchase;
- either (a) a properly completed and executed Letter of Transmittal or a manually executed facsimile of it, including any required signature guarantees or (b) an "agent's message" of the type described in Section 3 of the Offer to Purchase in the case of a book-entry transfer; and
- any other documents required by the Letter of Transmittal.

(2) Comply with the guaranteed delivery procedure set forth in Section 3 of the Offer to Purchase.
